

## Ændring af header

## 1. Vælg "Global Preferences" under Setup.

## 3. Vælg "Edit Header" i selve FMEA dokumentet:

Tjek resultatet under File -> Print Preview:

🗟 🔎 🕶 🔝 🔤 🔛 🔛 Luk

Acmo Automotivo		Subject	FMEA number		Page1 of 3
Acme Automotive		Electrical motor	1 (0	Draft)	
	Process EMEA	Process	Model year(s) Program(s)		
TUCESSTWILA		Electrical Motor Assembly Line	2020 PX123		
Process responsibility	Prepared by	CoreTeam	Originated Date	Revision Date

Ønsker man at "Core team" og "Ansvar" skal udfyldes i alle FMEAer fremadrettet (som krævet i den nye FMEA håndbog), kan DataLyzer FMEA nemt indstilles hertil ved at sætte flueben i "Make Core Team and Responsibility mandatory in the Document Header".
